

S.A.I.L., Inc. Mission Statement

The mission of S.A.I.L. is to provide individualized and daily documented developmental instructional methodologies and behavioral techniques with related therapies, viz., *Speech Language Therapy, ABA Therapy, Occupational Therapy, Sensory Integration Therapy, and Music Therapy*, all recommended by the National Academy of Sciences, *National Research Council*. (Lord, 2002) S.A.I.L. respects the wishes of a child's parents while implementing the Individualized Educational Plan (IEP).

S.A.I.L. Mission: actualizing full inclusion with age-appropriate-typical peers in a regular classroom setting.

S.A.I.L., Inc. Philosophy Statement

The philosophy of S.A.I.L. is to enhance the maximum growth of every S.A.I.L. child in the cognitive, sensory, social, affective-emotional, physical, functional language-communication, and aesthetic domains. S.A.I.L. children typically present with neurologically based affective, cognitive, and behavioral differences primarily effecting perceptive, receptive and expressive communication. Most SAIL children have intra/inter-affective and sensory self-regulation issues.

S.A.I.L. Philosophy: supports the awareness and ultimate emergence of a child's spirit and individual personhood while providing multidimensional program components for intrinsic and extrinsic skill development within the *actualization of independence, i.e., cognitive and behavioral choices.*

*Following the guidelines of the National Academy of Sciences, National Research Council, S.A.I.L. has existed for 15 years and specializes in serving toddlers, preschoolers, and elementary, middle, and high school aged children and youth with a medical diagnosis of autism OR children suspected to demonstrate autistic spectrum disorders (ASD). S.A.I.L. offers full year ~ full day ~ one-to-one educational and related services to every child. **ODE/OEC/ASP pays the full tuition ~ Parents pay no tuition!***

~ S.A.I.L. Inc. offers Intensive Early Intervention and Inclusion Services at the Pre-K, K, and elementary, middle, and high school levels of education. As a child exhibits minimal behavioral criteria, s/he is merged with typical children complimenting each S.A.I.L. child's innate potential. S.A.I.L. Instructors support each child constantly and consistently ~ one-one. Daily written and individualized child performance and curriculum analyses are documented and relayed to each child's family via the STAR and the TIDES at www.SAILOHIO.org

S.A.I.L. children receive the following therapies: *Speech and Language Therapy, ABA Therapy, Occupational Therapy, Sensory Integration Therapy, Music Therapy and small group art instruction.* Dr. Boss and two additional PhD level special educators serve as S.A.I.L., Autism Consultants with the diverse members of the S.A.I.L. Behavioral and Educational Services Team (B.E.S.T.) for each child enrolled in S.A.I.L.

Please receive this information as an introduction to the School for Autistically Impaired Learners, S.A.I.L., Inc., S.A.I.L. is one-one, full day, and a year 'round academic program. **Parents pay NO TUITION!**

SAIL is a researched based program serving families with toddlers, preschool, kindergarten, elementary, middle, and high school age youth diagnosed with autism, pervasive developmental disorders (PDD), or behaviors within the autism spectrum disorder (ASD).

Every child has an instructor!!! Every child has wrap-around therapy, *i.e.*, *Applied Behavior Analysis (ABA) Therapy, Speech-Language Therapy, Occupational Therapy, Sensory Integration Therapy, Music Therapy, and Art Therapy.* The goal of *SAIL* is to strive to provide individualized developmental instruction to children across the spectrum of autism as suggested by the **National Academy of Sciences, National Research Council.**

As stated by the **2002 National Research Council** ~ best teaching practices for children with autism are *holistic, early and intensive interventions* ~ implemented by *SAIL's* programming.

SAIL offers support for siblings, families, and extended families. *SAIL's* children are primarily visual and tactile learners with accompanying auditory, vestibular, and proprioceptive support.

**Miracles happen daily
at SAIL!!**

Enrollment in *SAIL* is exceptionally limited yet openings occur when children are ready for inclusion, within *S.A.I.L.'s* inclusion site or returning to the District of Residence. For application forms for enrollment in *S.A.I.L.*, for answers to questions, or for more information, please see our website at www.sailohio.org or directly contact.
